Hello CFBC family!

We hope you are staying safe and doing well during this different time in our lives. John 16:33 says this, "I have told you these things so that in me you may have peace. You will have suffering in this world, but be courageous! I have overcome the world." This should be a guide for our hope, encouragement, and prayers. We place our hope in Christ, we are encouraged that He has overcome the world and all trials within it, and we should pray that we remain strong in the reminder of the One who gives us this hope.

We, as a church staff, have not stopped praying for you. We know that things are unordinary right now, and that they are uncomfortable, but we are doing everything we can to get us back to some kind of normal. We have some really exciting things going on in our church right now. With Dr. Rex Horne becoming our interim pastor, we have leadership and guidance during this hard time. And we are so grateful for Larry Grayson helping us with this new transition during our worship time. We are a very blessed church.

Opening our church back up completely is one of our top priorities, but we want to make sure that we are opening back up correctly and in a way that is safe for our church and those around us. While we are working on this, there are a few things you can do to help us out.

Pray for our church leadership and guidance for our church. It's important that we keep praying for our church through this time.

For anything to take place at the church, please call the church office and get it put on the church calendar. Organization and communication is essential during this time, so please help us stay organized by letting us know when and where events will take place.

While we are working on getting back to being open, continue to participate in the Bible studies that are offered right now. We are still having worship on Sunday mornings at 9:00 and at 10:30. We'd love to keep having you there! Dr. Horne has also started a new Sunday night series through our church social media accounts called "My Question Is...". He has asked that we submit questions about our faith, church, the world around us, the Bible, and other topics that you may wonder about. He will do the best he can to answer your questions with scripture.

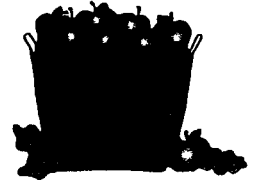

We are so excited to be back together soon. As we wait, remember to stay encouraged that God has a plan and is in total control. We love you, we are praying for you, and we cannot wait to see you again soon.

-Bro. Colby
